

My Dreams

Fr. Benny Mekkatt CFIC, Pastor, Presentation of Blessed Virgin Mary

I have a dream of this great community of Presentation of the Blessed Virgin Mary. I dream to see Presentation coming back to its glorious days. I dream each member of this community embracing the Stewardship as a way of life, claiming the ownership of this parish with a deeper sense of belongingness and responsibility.

I dream, every member of this community taking the responsibility to invite friends, neighbors and family members to join us on Sundays to celebrate Lord's gift of the Holy Eucharist, thus becoming Intentional disciples of Jesus and evangelizers for him.

I dream we as a single family becoming more cordial and welcoming to everyone who enters here. I dream for a steady growth in the active and continued participation of the Sunday and Weekday Eucharist celebration and other devotions and spiritual exercises that are offered here.

I dream a steady growth in the enrollment at school and active participation of the parents and families in the life of presentation community. I dream to see this community of ours grow deeper and stronger in our faith and in our several ministries.

I dream to see more and more of our seniors becoming the prayer warriors for this community by joining for the daily Mass, Adoration and Holy Rosary. It is a noble responsibility to pray for the rest of the community members religiously, to be the prayer warriors for the rest of the community.

Growing in our love for God and one another, I dream for a flourishing Christian community here, overcoming our shortcomings and financial crisis becoming a true beacon of hope for the generations to come. We can achieve all these by offering our TIME, TALENT AND TREASURE unreservedly to the Lord and his Church. Let us remain united in prayer, with greater dedication and love for this wonderful community of ours, Presentation of Blessed Virgin Mary.
